ORDER

CAME ON THIS DAY the motion hereinabove.

I.

Relative to the foregoing motion, counsel for plaintiffs was present and announced "ready".

R. Dwayne Danner, Esq., of McGlinchely & Stafford, for defendants Federal National Mortgage Association, and MERSCORP, Inc. and Mortgage Electronic Registration Systems, Inc., failed to appear though a "General Denial" is on file with the court and despite being provided notice of setting (see Exhibit "A"). Chris Pochyla, Esq., of Barret, Daffin has also previously filed an answer in this matter and did not appear (Exhibit "B"). As per the Texas Rules of Civil Procedure the court determined these

parties are "indispensible parties".

Citations on the other newly-added defendants, BAC HOME LOAN SERVICING, LP. and THE BANK OF NEW YORK MELLON, F/K/A THE BANK OF NEW YORK CWABS, INC., (ASSETT-BACKED SECURITIES, SERIES 2007-9) though filed have not yet been served. Nevertheless, these parties were all provided notice via fax and electronic transmission (see Exhibit "C").

II.

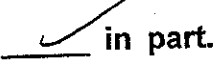

The court announced the case. In "open court" **all defendants** including Federal National Mortgage Association, MERSCORP, Inc. and Mortgage Electronic Registration Systems, Inc. were "hailed 3 times" without response. The court then defined the scope of the hearing as "specific to the need for immediate relief". Though the respondents did not appear, the court commenced a full evidentiary hearing. The court took sworn witness testimony, received evidence and admitted into evidence plaintiff's counsel's power point presentation regarding the "robosigning" of foreclosure/ mortgage-related documents central to this dispute.

III.

At the conclusion of the evidence, the court found that, under TRCP Rules 681-693 inclusive, plaintiffs affirmatively satisfied the necessary burden of proof with competent evidence for the relief sought.

IV.

WHEREFORE, at the conclusion of this hearing the court hereby makes the following orders:

This Motion is: **GRANTED**  in part. More specifically the court issues temporary orders pending the conclusion of the Temporary Injunction Hearing.

Said Temporary Order are considered "interim Orders" effective immediately granting immediate injunctive relief, as follows:

1. Plaintiff Maribel Alvarez (and husband Marcos Villalobos) are hereby allowed immediate reentry into their home located at 11864 Jim Webb, El Paso, Texas 79924; further, any and all present foreclosure activity on the part of the Fannie Mae and MERS "cease" in this matter and the "status quo" maintained until the claims in this cause are disposed of with finality (Exhibit "D");

2. Similarly, with respect to the other named plaintiffs in the instant matter, any and all present foreclosure activity on the part of the defendants "cease" and be maintained "status quo" until their claims in this cause are disposed of with finality;

3. An award of \$15,000.00 in interim attorney fees payable by defendants MERSCORP, Inc., Mortgage Electronic Registration Systems, Inc., and/or Fannie Mae to Richard A. Roman, Esq., 505 East Rio Grande, El Paso, Texas 79902 on or before April 25, 2012.

IT IS HEREBY FURTHER ORDERED:

4. That this matter is set for a hearing, more specifically a continuation of the Temporary Injunction hearing, on April 25, 2012 @ 1:30 p.m. All counsel should be present (Exhibit "E");

5. At that time the court will hear testimony regarding the injunctive relief sought to abate all foreclosure filings by these named defendants including any instruments/ documents in the deed records of El Paso County, Texas (and others) identifying MERS or any other person or entity as a "mortgagee" or "beneficiary" of any mortgage in which such person or entity does not have a beneficial interest or other legally sufficient interest;

6. At the hearing the defendants shall produce the following individuals by and through the entities for which they execute foreclosure/mortgage-related documents:

(1) Beverly Mitrisin

(2) Chester Levings

(3) Cecilia Rodriguez

The bond amount set to perfect this order is set at \$100.00 or ~~_____~~.

2012.

DEFENDANTS' ORIGINAL ANSWER

COMES NOW, Federal National Mortgage Association, MERSCORP, Inc. and Mortgage Electronic Registration Systems, Inc. ("Defendants"), named defendants in the above-styled and numbered cause, and files this their Original Answer to Plaintiffs Bea Huml and Joey Rodriguez's ("Plaintiffs") Second Amended Petition ("Petition"), and for such answer would respectfully show the Court as follows:

I. GENERAL DENIAL

1. Defendants generally deny each and every claim, charge, and allegation asserted by the Plaintiffs in their Petition as provided by Rule 92 of the TEXAS RULES OF CIVIL PROCEDURE. Defendants request that the Court require Plaintiffs to prove their respective claims by the preponderance of the credible evidence as required by the laws and the Constitution of the State of Texas.

PRAYER

WHEREFORE, PREMISES CONSIDERED, Defendants pray that upon a final hearing hereof Plaintiffs take nothing by this suit and that judgment be entered in favor of

Defendants, having all their costs of suit in this behalf expended, and for all such other and further relief, both at law and in equity, general and specific, to which Defendants may show themselves justly entitled.

Respectfully submitted,

Subject: RE: Fannie Mae v. Escobedo; Cause # 212-00133-FED / 2995959

Richard,

The email below was in regards to the Escobedo file referenced in the subject line. It was not meant to relate to the property at 11864 Jim Webb Drive. In the future, please email about particular properties related to the subject line to prevent confusion.

Thanks,

Lauren

Lauren:

See attached as proof that we are pushing to finalize the loan modification in this matter. We should have the results very soon. At the very least my clients wish to remain in the property as tenant. This was sent this to the court.

Thank you regarding the Escobedo's.

However, please be advised that I am having to raising similar concerns with the court and its "procedures" in 212-00034-Fed, "FNMA v. Alvarado". I would ask for similar courtesies from your office on any eviction procedures. Evidently I am going to have to address future cases before this judge.

Clients have sent their concerns about Judge Haggerty to the State Commission on Judicial Conduct.

Richard:

I send your court correspondence to the client and will have to wait on a response. To date, we do not have a lockout set; however, without client approval I cannot hold the writ.

Who's Watch

Yeppers, the attached Injunction was granted while under President Obama's watch. It is also true that President Clinton signed a number of laws into law that allowed criminal acts to be executed without detection, so they thought. Many of the criminal acts occurred under Presidents Bush's watch and detected under President Obama's. So long as the mentality exists that it is not against the law until I get caught, crime will run rampant. When the unjust gains of theft is sufficient to pay legal eagles to prevent the predators from being charged, and so long as the predator turns a profit after expenses, crime will run rampant.

President Obama may not be doing a very good job of mopping up the dirty water. Maybe he is, but so long as it is contained behind the washroom door, doubt remains and it is this doubt that casts shadows upon President Obama. Government officials had a misunderstanding that the people of the world could not handle the UFO crisis of decades past. Most Earthlings were too busy attending to their daily lives to worry about if the world stood still. Even with television, there are a few that still believe mankind has not traveled to the moon. Many have said the governments of the world need to operate in a transparent mode, true except where criminal actions are being pursued, this transparency may not be appropriate. However, there are thousands if not millions of records filed within the courts and public records that is prima facie proof of crime. These facts alone should have already resulted in many a criminal (attorneys & judges) being brought up on criminal charges or at least on charges of violating Rights guaranteed under the Constitution. This not knowing is what aids in the destruction of this great country.

In November of 2012 the American people will again visit the polls to elect a President of the United States. Currently the trombone sounds

that it is a deficit crisis that placed this country in the crisis it is in. Wrong, if crimes had not been committed and attention had been paid to salvage the basic fundamentals of this country instead of trying to save inflated Markets, this country would have been in a stable environment. Europe faces a similar financial crisis where much of that crisis can be tied back to crimes committed in the United States.

As most of humanity is God fearing and those evil predator know that those that are God fearing will pray that God forgives them, those God fearing unknowingly have aided in letting the predators prey upon them. Those God fearing souls should recognize and understand that a predator has made a choice to not follow the path of God and therefore will be prohibited from eternal life. Eternal life is the return for following the path of God and for those who chose Satan; Satan will take your soul and return nothing and then will take the soul of your children and their children.

Back to the injunction, the banks, many lawmakers, those whose incomes depend on the inflated market whose numbers are greatly smaller than the total population would much prefer the crimes to continue, for they have lost the knowledge of how to fend for themselves in the name of God, may Satan have mercy on their soul when he steals. No court of man will ever bring Satan to trial, not so true for God's Court. "In God We Trust" is written above the podium in both houses, maybe it should read:

“God’s Will Shall Be Done”.

Vote this November
