

## BS or HS?

It may pile differently but it still smells the same.

It comes from a creature moving forward eating up all it can, yet the rear end of it continues on occasion to spread the fertilizer.

Since the early 1900's and possibly prior to that Politicians continue to spread the fertilizer to "We the People" in order to gain favor from us. If you haven't noticed, it is really stinking up our great country.

Today I read an article<sup>1</sup> that makes me want to puke. Just how much BS/HS will our politicians continue to spread? Is anyone paying attention? Don't think I am for another candidate in the Presidential race, I am for "We the People" and no one else (publican) on this Earth.

Here we have a man who claims he *"learns about what it is like to struggle in a difficult economy by sitting down with regular people"*? And, *does not want anyone to see it?* Because? *"I agree not to say who they are to the members of my media"*? And the usual sidestepping of that (probably true) statement, and as most politicians wants to make it look like a joke? Sniff sniff?

Sounds like many politicians who have been in office since as far back as I can remember. They have all "sit down" in the veil of darkness with the evil ones without anyone seeing it. This is why we are in the shape our country is in. Uncontrollable servitude.

Mr. Romney also states; *"he learns about a struggling economy by talking to people affected by it"*? Do you smell it?

Then, *"So far during my campaigns one of the highlights for me has been sitting down with three or four families almost every day without the camera there"*? *"Most of them are done privately — that is a wonderful way for me to understand how people are really feeling."*? Smell it?

I ask you Mr. Romney; Have you not pulled your head out from the opposite end<sup>2</sup> long enough to hear the voices of We the people? Do you not read anything in news paper beside your primary results? You were the Governor of Massachusetts? Did you not hear the peoples voices then?

I ask you Mr. Romney; what do you know about the Secondary *"Payment Intangible"* Market? Is this where you receive your riches while the rest of the world sinks into uncontrollable servitude? I ask this since many laws were passed by the evil ones that have put the world in this position. We are so deep in debt that all the money you or all the politicians have will not pay off this debt. Yet you smile like we have nothing wrong in America? You promise false ideas to people you appear to know that are not happy with our economy? What if they knew about this

<sup>2</sup> Making ends meet?

## BS or HS?

“*payment intangible*” debt? What if they realized that the “*eNote*” used for that “*payment intangible*” debt did not have a law one to support it? Could you explain to the American people how their homes are stolen from them because of this *eNote*? Can you explain to the brothers and sisters across the waters why Congress duped the world with a “*payment intangible*” that has no more value than a well that is dry?

Mr. Romney are you all smile with no gray matter? Or have you already planned you escape route? Switzerland maybe? Is that why you smile?

I would not want to be a politician in this country when “We the people” find out what happened to them and understand why they are working their tail ends off to make ends meet.

How will you plan to explain to the other countries of this world that the politicians and not “We the People” who schemed up this “*payment intangible*” ponzi scheme? It is no wonder why the world dislikes American people. It is you the politicians who have made us look like an enemy. It was not us. But I will tell the truth. I am at fault for believing in you. You’ve lied, you’ve made false promises to “we the people” in order to gain your hierarchy over us. I say shame on you.

Food for thought to the evil ones;<sup>3</sup>

*“And now I say to you, my children, love righteousness and walk in it; for the paths of righteousness are worthy of acceptance, but the paths of iniquity will quickly be destroyed and vanish.”*

*“Thus I say, and make known to you, that He who created you will throw you down, and over your fall there will be no mercy, but your creator will rejoice at your destruction.”*

*“And the wise men will see the truth, and the sons of the Earth will understand all the words of this book, and they will know that their riches will not be able to save them or overthrow their sin.”*

*“We hoped to become the head but became the tail. We toiled and laboured, but were not masters of the fruits of our toil; we became food for the sinners, and the lawless made their yoke heavy upon us.”*

*“We complained about them to the rulers, in our distress, and cried out against those who devoured us, but they took no notice of our cries, and did not wish to listen to our voice.”*

*“And they helped those who plundered us and devoured us, and those who made us few, and they concealed their wrongdoing, and did not remove from us the yoke of those who*

*devoured us, and scattered us, and killed us. And they concealed our slaughter and did not remember that they had raised their hands against us.”*

*“For you sinners say: “None of our sins will be inquired into and written down!” But they will write down your sins every day.”*

*“And now I show you that light and darkness, day and night, see all your sins.”*

To my brothers and sisters;<sup>4</sup>

*“Be hopeful! For you were formerly put to shame through evils and afflictions, but now you will shine like the Lights of Heaven, and will be seen, and the Gate of Heaven will be opened to you.”*

*“And persevere in your cry for judgment and it will appear to you, for justice will be exacted from the rulers for all your distress, and from all those who helped those who plundered you. “*

*“And now do not be afraid, you righteous, when you see the sinners growing strong and prospering in their desires, and do not be associated with them but keep far away from their wrongdoing, for you will be associates of the Host of Heaven.”*

*“Do not be impious in your hearts, and do not lie, and do not alter the words of truth, nor say that the words of the Holy and Great One are lies, and do not praise your idols. For all your lies, and all your impiety, lead not to righteousness but to great sin.”*

One more;<sup>5</sup>

*Pilate said unto him: Art thou a king, then?*

*Jesus answered him: Thou sayest that I am a king; for this cause was I born and am come, that every one that is of the truth should hear my voice.*

*Pilate saith unto him: What is truth?*

*Jesus saith unto him: Truth is of heaven.*

*Pilate saith: Is there not truth upon earth?*

*Jesus saith unto Pilate: Thou seest how that they which speak the truth are judged of them that have authority upon earth.*

Peace be with you,
